

CREEKSIDE WI

JULY MONTHLY MEETING 2015

President Dorothy Maskell presented new member's packs to June Hampton and Katherine

Unfortunately several of our entries into the Agricultural Show's Competition were disqualified so we didn't win the cup this year. We shall learn from our mistakes!

Submission forms for next year's Resolution are available. This is an opportunity to put forward a resolution which may ultimately be considered by the Government.

Members were reminded that the Garden Party is on Friday 10 July where there will be stalls and competitions as well as afternoon tea which will be based on that served at Buckingham Palace and attended by WI members last month.

Best Bloom competition was won by Hazel Laight, runners-up Maureen Turner and Jenny Gache.

The Reverend Len Fox's talk was entitled 'A funny Thing Happened on the Way to the Pulpit' and funny things certainly happened. An incident which resulted in arriving to take a funeral service in an ice-cream van was a favourite with the audience although discarding his cassock and shirt to display a T-shirt bearing the words 'Real Men Wear Skirts' raised hearty laughs too. Humour and humanity figure largely in his outlook on life.
