

Creekside W.I. May Monthly Report

Members were welcomed by our President Ann Parker and congratulated for the number of entries in the Craft Competition. Dorothy Maskell was welcomed back after her absence.

Reports from events that members had enjoyed over the past month were very positive. Crazy golfers had a very pleasant afternoon full of fun and finishing with delicious food. The Whippingham Taster Day was very successful. Members also voted on the Resolution - Mental Health Matters.

This month's Best Bloom winner was Jenny Gaches.

Members were able to appreciate the wide variety of entries and the high standard of skill exhibited in the crafts on display. Delicious looking honey cakes, cup cakes with a nautical theme, scones and lemon curd spiked the taste buds. Felt birds, decorated flower pots, IOW poems, A5 cards enabled members to express their creativity in a variety of ways and novice and other crafts ensured that everyone had an opportunity to take part.

Those who enjoy creating with a camera could enter categories entitled A Side lit Image, A Person or People, Expectations, Fruit and/ or Veg, A Bird and Out of the Camera.

Beautiful floral entries were displayed in a cup and saucer, as two colour spires and foliage in any container.
