

# CREEKSIDE W I

## SEPTEMBER 2015 MEETING

Dorothy Maskell, President welcomed members back after the August break.

To celebrate Queen Elizabeth becoming the longest reigning monarch of this country we sang the two verses of the National Anthem and raised a glass to toast her.

Birthday Buttonholes were presented with a special one for Jean Abraham.

The WI Centenary Thanksgiving Service in August was well attended but this was not the last of the celebrations as there is an opportunity to meet with all the WI members on the Island at Osborne House this month.

The Party in the Park had been a most successful Fund Raiser.

Suggestions for next year's Annual Coach Outing to the mainland would be welcome.

The speaker, Mrs Sue Keynes, after telling the most interesting history of Corn Dollies, provided members with the materials to make one themselves. Pat Trevett's Corn Dolly was judged to be the best.

The Best Bloom competition was won by Dorothy Maskell with runners up Linda Sheasby, Ann Senior and Sylvia Burrows.
